

# SS. EDWARD & LUCY PARISH

## UPDATED CONTACT FORM

Thank you for your participation as we update the contact information we have on file for all parishioners at SS. Edward & Lucy Parish! This is the first phase of a new effort to offer more communication options from the parish, including emails and text messages. However, we cannot start that until we know that the information we have is correct. Please help us in this effort!

We want to make sure we know everyone in our pews as well as how to get in touch with them about the opportunities we have at the parish.
